**The following notice is pursuant to California Government Code
Section 12956.1(b)(1))**

Notice

If this document contains any restriction based on age, race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, genetic information, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry, that restriction violates state and federal fair housing laws and is void, and may be removed pursuant to Section 12956.2 of the Government Code by submitting a “Restrictive Covenant Modification” form, together with a copy of the attached document with the unlawful provision redacted to the county recorder’s office. The “Restrictive Covenant Modification” form can be obtained from the county recorder’s office and may be available on its internet website. The form may also be available from the party that provided you with this document. Lawful restrictions under state and federal law on the age of occupants in senior housing or housing for older persons shall not be construed as restrictions based on familial status.

Restrictive Covenant Modification

Under current state law, including AB1466 effective January 1, 2022, homeowners can request to modify property documents that contain unlawful discriminatory covenants. Government Code Section 12956.2 allows a person who holds an ownership interest of record in property that the person believes is the subject of an unlawfully restrictive covenant to record a Restrictive Covenant Modification document to have the illegal language stricken. Unlawful restrictions include those restrictions based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, veteran or military status, national origin, source of income as defined in Government Code Section 12955 subdivision (p), ancestry, or genetic information.

To Record a Restrictive Covenant Modification, you must:

- Complete a Restrictive Covenant Modification Form; this must be signed in front of a notary public.
- Attach a copy of the original document containing the unlawful restrictive language with the unlawful language stricken.
- Submit the completed document to the County Recorder.

This document requires the following:

1. Name(s) of current owner(s)
2. Identification of document page number and language in violation
3. Recording reference of document with unlawful restrictive covenant
4. Copy of referenced document attached complete with unlawful restrictive language stricken out
5. Signature(s) of owner(s)
6. Signature(s) acknowledged
7. Approval by County Counsel provided to County Recorder

Upon receipt, the Recorder's office will submit the document to County Counsel who will determine whether the original document contains any unlawful restrictions, as defined in Government Code Section 12956.2 subdivision (b). Only those determined to be in violation of the law will be recorded and those that are not, will be returned to the submitter unrecorded.

Please note that the County Recorder is not liable for modification not authorized by law. This is the sole responsibility of the holder of ownership interest who caused the modified recordation per Government Code Section 12956.2 subdivision (f).

Pursuant to the requirements of AB1466, and no later than July 1, 2022, the Assessor-County Clerk-Recorder will post an implementation plan outlining our strategy to identify records with discriminatory restrictions.
