Rules and rates

You may be eligible for a lower rate. To learn more about optional rates or view a complete list of rules and rates, visit www.pge.com or call 1-800-743-5000.

If you believe there is an error on your bill, please call **1-800-743-5000** to speak with a representative. If you are not satisfied with our response, contact the California Public Utilities Commission (CPUC), Consumer Affairs Branch (CAB), 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, 1-800-649-7570 or 7-1-1 (8:30 AM to 4:30 PM, Monday through Friday) or by visiting www.cpuc.ca.gov/complaints/.

To avoid having service turned off while you wait for the outcome of a complaint to the CPUC specifically regarding the accuracy of your bill, please contact CAB for assistance. If your case meets the eligibility criteria, CAB will provide you with instructions on how to mail a check or money order to be impounded pending resolution of your case. You must continue to pay your current charges while your complaint is under review to keep your service turned on.

If you are not able to pay your bill, call PG&E to discuss how we can help. You may qualify for reduced rates under PG&E's CARE program or other special programs and agencies may be available to assist you. You may qualify for PG&E's Energy Savings Assistance Program which is an energy efficiency program for income-qualified residential customers.

Important definitions

Rotating outage blocks are subject to change without advance notice due to operational conditions.

Tier 1/Baseline allowance: Some residential rates are given a Tier 1/Baseline allowance - a CPUC approved percentage of average customer usage during summer and winter months. Your Tier 1/Baseline allowance provides for basic needs at an affordable price and encourages conservation. Your allowance is assigned based on the climate where you live, the season and your heat source. As you use more energy, you pay more for usage. Any usage over your baseline allowance will be charged at a higher price.

High Usage: An increased price per kWh whenever electricity usage exceeds four times the Baseline Allowance (Tier 1) in a billing period. This charge does not apply to Time-of-Use rate plans.

Wildfire Fund Charge: Charge on behalf of the State of California Department of Water Resources (DWR) to fund the California Wildfire Fund. For usage prior to October 1, 2020, this charge included costs related to the 2001 California energy crisis, also collected on behalf of the DWR. These charges belong to DWR, not PG&E.

Power Charge Indifference Adjustment (PCIA): Ensures that non-exempt customers under PG&E's GT and ECR rate schedules or who purchase electricity (generation) from non-PG&E suppliers pay their share of generation costs.

Gas Public Purpose Program (PPP) Surcharge. Used to fund state-mandated gas assistance programs for low-income customers, energy efficiency programs, and public-interest research and development.

Visit www.pge.com/billexplanation for more definitions. To view most recent bill inserts including legal or mandated notices, visit www.pge.com/billinserts.

Your Electric Charges Breakdown

Conservation Incentive	\$58.22

TOTAL	\$120.26	\$444.39

* Please go to pge.com/electricrates to find the generation component of your Energy Charges.

How Your True-Up is Calculated

This is your True-Up statement. You are being billed for your total NEM Charges Before Taxes minus your total electric Minimum Delivery Charges in addition to any applicable charges and taxes.

Since this is your **True-Up statement**, all electric usage charges and credits are reset to zero starting with your next billing cycle.

The Minimum Delivery Charge is billed monthly and credited at True-Up if the total NEM Charges Before Taxes are greater than your cumulative Minimum Delivery Charges.

Energy Charges are basic commodity costs related to energy usage. These charges will only be billed at True-Up if they are a positive amount and when the total NEM Charges Before Taxes are less than the sum of your total Minimum Delivery Charges and Energy Charges.

Based on your **Net Usage (kWh)**, the True-Up calculations are:

Total NEM Charges Before Taxes	\$1,104.96
Total Electric Minimum Delivery Charges	-120.26
Taxes	0.95
Total NEM Charges Due	\$985.65

Service For: 943 STILLSPRING CT
Service Agreement ID: 3874810920
Rate Schedule: Time-of-Use (Peak Pricing 4 - 9 p.m. Every Day)

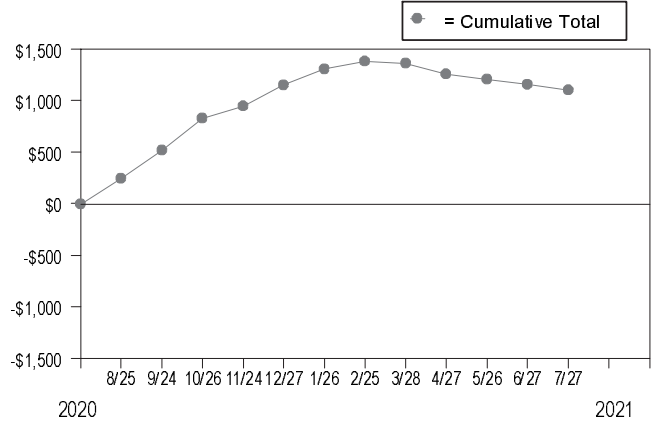

NEM Charges Before Taxes

Monthly NEM Charges

Monthly NEM Charges represent the cost of the electricity you use each month. You don't pay your monthly NEM balance each month. Instead, your Monthly NEM Charges are added up to calculate your Cumulative NEM balance, which you pay at True-Up.

Cumulative NEM Balance by Month

Cumulative NEM Balance

Cumulative NEM balance is a running total of your electricity costs and can increase or decrease depending on each month's use and generation. You only pay your Cumulative NEM balance at True-Up.

Additional Messages

The State Mandated Non-Bypassable Charge (NBC) is calculated based on your energy usage and is relevant to determine the True-Up amount. This charge includes the following fees: Public Purpose Programs, Nuclear Decommissioning, DWR Bond Charge and Competition Transition Charge. The NBC Net Usage Adjustment is to ensure that you don't pay for NBCs twice.
